

New Blogging Area

Thursday, 15 October 2009 23:56 -

Welcome to our all new blogging area, this is a place where you will find my Precious Web blogging!

My aim here is to chat about up and coming projects, personal web projects and general chat with all things internet

My Name is Darren Newton, you will often find me on many web forums under the alias "Dazzler" or "Precious". I have now entered my 6th year of webdesign and i have seen a lot of changes to how things are done!

Right then thats enough for now, hope you enjoy this space
